

Dear Members,

I'm excited to introduce myself as a committee member of TOAST. By profession, I am a banker, but over the past few years, I have developed a deep appreciation for the world of horse racing.

I was introduced to horse racing by our president, Constance Cheng, back in 2020. She mentioned that the horse racing industry needs to be promoted more to the younger generations. Her passion is so infectious that I decided to give it a try.

It has been almost 5 years of learning in the horse racing industry and there's still so much more to learn. I hope I can contribute to TOAST and looking forward to meet every single one of you.

Warm Regards,  
Rio Wongsonegoro
